NEW COLLECTION: FALL 2017
HIGH POINT MARKET

We are proud to introduce our new "Fall Collection 2017" in this High Point Market.

Since the 90's HPMKT has been our International Showcase, so our pieces can be worldwide appreciated. This is how we have managed to have presence in the best showrooms in the world, such as Nicholas Haslam in UK, Avax in Greece, Living In Interiors in Egypt and Qatar, among others.

In this Market we are pleased to present 30 new products with different styles that can perfectly be mixed to reach the eclecticism that characterizes us as a luxury brand.
