Dorya Reveals “A Cut Above” Exclusive Fabric Set

Dorya is pleased to announce a new signature fabric portfolio that offers a wide spectrum of luxurious and distinctive fabric choices for those seeking beyond glamorous. The exclusive selection of 80 exquisite fabrics, leathers, and faux leathers allows the high-end designer the opportunity to offer an all-encompassing branded product that delivers the quintessence of Dorya. The fabrics will also adorn the upholstered frames of Trump Home by Dorya line at the Spring International Home Furnishings Market premiere.

“The fabric choice is a dominant factor that defines the persona of the upholstered piece in the furniture buying process. The development of this stylish portfolio offers the designer options that are exclusive to Dorya products.” says F. Doruk Yorgancioglu, President and CEO of Dorya. “With the endless options of fabrics available, our objective is to offer unique choices that elevate and exceed expectations for our brand.”

The collection features unexpectedly fresh and exquisite choices for Dorya, and Trump Home™ by Dorya products. Fabrics are unique and refined, while also warm and inviting. They convey a tranquil contemporary feel. The focus for the premier lineup is a mix of subtle and mostly soft colors, neutrals and prints with hints of light greys and taupes. Great faux leather options showcase amazing textures and trims with pearlized and metallic leathers offering inspiration for exceptional style.

“The editing process was both challenging and rewarding as the crème always rises to the top,” says, Megan Perry, Creative Director of Dorya. “I’m confident the line-up offers something spectacular for the high fashion connoisseur.”
