Sligh Introduces the Cascades and Barrymore Collections

HIGH POINT, NC – Adding to a diverse portfolio of fashionable home office and media room designs, Sligh announces the introduction of two new collections at the High Point Market, October 18-23, 2019. **Cascades** features refined transitional designs in an elegant light finish, while **Barrymore** offers distinctive traditional designs in rich walnut tones. The collections will make their debut in the Lexington Home Brands showroom, located at 1300 National Highway.

“The home office and media rooms remain two of the most important areas in the home,” said Phil Haney, President and CEO of Lexington Home Brands. “Almost half of Americans now work remotely on a regular basis, and screen time in the media room continues to increase with the proliferation of streaming options. Recognizing the impact of these lifestyle trends, the need for designs with innovative styling and exceptional functionality has never been greater. **Cascades** and **Barrymore** will further strengthen the breadth of the Sligh portfolio, offering the most diverse and beautifully designed product in the industry.”

Original designs in **Cascades** draw inspiration from vintage Art Deco and Hollywood Regency styling, interpreted in quartered white oak, gently wire-brushed, in a light transitional finish. Custom hardware, ferrules and decorative metal accents in brushed nickel complement the parchment and gray finish tones, contemporizing the aesthetic.

Designs in **Barrymore** find their provenance in classic English antiques from the Jazz Age of the Roaring 20's. Crafted in wire-brushed white oak, silhouettes feature traditional overlay moldings contrasted against Deco-era shaped bases in a rich dark walnut finish tone, accented by antique bronze hardware.

The **Cascades** and **Barrymore** collections will debut at the High Point Market, October 18-23, 2019 in the main Lexington Home Brands complex at 1300 National Highway. The showroom is open daily from 8:00 am until 6:00 pm. Complimentary parking is available on the showroom campus and lunch is served daily. Private transportation departs every ten minutes from the Lexington Design Studio in downtown High Point to the main showroom and back, operating daily from 8:00 am to 6:00 pm or until the last guest is served. The Design Studio is located at the corner of Commerce Street and Wrenn, directly across from the IHFC building and the main transportation terminal.
