Abner Henry Debuts New Showroom at High Point Market This Fall

MT. HOPE, OH,— Sept 24, 2020— Abner Henry at High Point Market has new location in a stunning, renovated space. This October 13-24, guests can explore the new Abner Henry as they debut their recent rebrand, which focuses on being “rooted in the past, pioneering the future.”

Guests should expect to experience the best that Abner Henry has to offer — and that includes more than 3,000 colors and finishes, exceptional quality, and the best in comfort and design. The 4,200 sq. ft. showroom sits inside a newly renovated building on Martin Luther King Dr. Guests are welcomed to the showroom with a stunning gold leaf feature wall, and are led into a space that is set up to truly showcase the beauty of Abner Henry’s furniture.

“I’m excited to showcase the furniture in the way that it was meant to be seen,” says Russ Thomas, president of Abner Henry. “[The furniture is] not just consolidated into a floor space, but shown in a very personal, relatable way.”

Abner Henry is an Ohio-based, family-owned business that specializes in case goods furniture. The brand is known for combining cutting-edge design with old world craftsmanship, for a result that is truly remarkable. Their furniture also commonly features stunning, unique finishes, that combine fine species woods with top-tier finishes and hand forged metal accents — something that practically no other brand does. By utilizing a professional blacksmith, many of Abner Henry’s pieces have truly one-of-a-kind elements that cannot be replicated, as the metalwork is forged by hand.

“When you think of the top end of luxury furniture, Abner Henry is on that list,” says Thomas.

The Abner Henry showroom is located at: 214 Martin Luther King Drive, High Point, NC 27260.
