FOR IMMEDIATE RELEASE

SUNPAN Joins High Point Premarket Lineup

Toronto, Canada, [March 15, 2021] – For the first time ever, SUNPAN will be exhibiting and sponsoring High Point Premarket on April 25 to 27.

"We believe Premarket will draw unprecedented attendance in April and we want to be where the customers are," said Key Account Manager Roland Maddrey. "We are confident that Premarket will be well attended by the top 100 retailers and anticipate connecting with many of them who are not already our customers."

As SUNPAN is passionate about providing the best showroom experience for High Point visitors, the company will have its entire sales team on hand and have allotted more time for customers to shop our newly expanded 40,000 sq. ft space.

With the launch of outdoor and the expansion of bedroom, dining and living categories, SUNPAN will also have many new introductions at Premarket that will compliment best-selling designs already in its offering.
