## BUNGALOW 5 ROMANTIC DESIGN, RETOLD

Our furniture and accessories impress, surprise, and delight. From our in-house-designers' first sketch to the meticulous finishing touches of our artisans, we are committed to meeting the highest standards of craftsmanship.

Bungalow 5 represents the opposite of fast design—many of our creations and finishes take years to perfect. We're continually seeking the world's best and most skilled craftsmen to work in tandem with our designers to push the envelope.

While our furniture takes cues from iconic silhouettes, we reimagine and rework designs, bringing a modern take on classic luxury to our customers.
