OCTOBER 2021 INTRODUCTIONS

WHITE

cirrus /'sir-əs/ Carved Tallboy

a high altitude cloud characterized by delicate, feathery strands made mostly of ice crystals.

Reminiscent of European designs and inspired by Marie Antoinette's apartment at Versailles, the Cirrus from Jonathan Charles boasts a bouquet of exquisitely carved roses two inches deep in a luxurious chalky white finish on its pediment. Delicate Queen Anne legs, wax-cast brass hardware and lockable drawers blend in a rich showcase of age-old craftsmanship. Drenched in Danish Blue, Cirrus strikes a distinctive pose that demands attention.

radiatus /rād·ē'äd·əs/

Door Chest

a variety of clouds with parallel bands which, in perspective, appear to converge at a point on the horizon.

Inspired by antique French radiator covers, Radiatus captures old-world charm and modern elegance. A solid hardwood chest features curvaceous flutes carved close to half an inch deep that converge on a floral center. An effortless touch latch, adjustable shelves and a delicious Chalky White finish round out an impeccable appointment package.

mammatus /mə'mātəs/

Night Chest

a cellular pattern of pouches hanging underneath the base of a cloud.

Jonathan Charles' Mammatus Night Chest combines the style and aesthetic artistry of Victorian refinement with delicate floral patterns painstakingly crafted using lincrusta plaster sculpting techniques. Balanced on stunning tapered legs and bathed in Chalky White finish with gray accents, Radiatus creates a lasting impression.

fallstreak /'fɒl'-strēk/

Foyer Table

a large gap, usually circular or elliptical, that appears in a cloud.

Featuring a steel weave base, Fallstreak draws inspiration from woven tables of the 1930s. Finished in a chalky milk white and adorned with a glass top, Jonathan Charles' showstopper foyer table is a breath of fresh air for a variety of settings and styles.

altocumulus /,al-tō-'kyü-myə-ləs/
Klismos Side Chair

cloud with several patchy white or gray layers made up of many small roses of fluffy ripples.

An elegant take on the classic chair, Altocumulus features intricate carvings and delicate forms finished in Jonathan Charles' signature Chalky White. A spray of diaphanous roses adorns its back while elongated bulbs embrace dainty spindles. A tightly upholstered seat covered in Belgian performance linen is embellished with scalloped patterns and floral rosettes at its corners. Altocumulus is a rich showcase of furniture craftsmanship and sensational design.

WATER

seiche /sā(t)SH/
Woven Wave Wing Bed

a temporary oscillation in the water level of a lake or partially enclosed body of water.

Born from passion with incredibly crafted aesthetic details, the Seiche's captivating lines and sublime curves promise a new level of interior expression. Subtle shades of handwoven grasscloth are surrounded by a soft creme leather frame in an eclectic mix of materials that captures a dazzling sense of organic movement and form.

diel /'dī-əl/
Acid Etched Door Chest

a form of vertical migration where organisms migrate on a daily basis through different depths in the water column.

Bleached oak and metal pair flawlessly in Jonathan Charles' Diel door chest. Utilizing age-old acid etching techniques, steel doors showcase water motifs abstractly rendered in textured relief. Sitting atop delicate metal legs, Diel lends itself to modern and sophisticated interiors.

pelagic /pəˈləjɪk/
Cast Metal Bar

relating to the open sea. creatures inhabiting the upper layers of the open sea.

Inspired by fossilized coral, Pelagic boasts an intricate pattern on metal doors produced by lost wax casting. A white oak case perches on dramatically tapered cast metal legs with a lower glass shelf for additional storage. With an interior swathed in Nebula Azul, Pelagic makes a statement open or closed.

breaker /'brā-kər/

Mixed Media Console

a wave whose amplitude reaches a critical level that causes large amounts of wave energy to be transformed into turbulent kinetic energy.

Featuring a streamlined profile and eclectic mix of organic materials, the Breaker console strikes a mesmerizing pose. Sinuous waves formed with creme leather, light wood and natural bone inlay are accentuated by delicate, glinting metal spines. Breaker's spectacular design coupled with Jonathan Charles' hand-crafted construction ensures quality and distinction.

cnoidal /'ka-noi-dal/ Carved Cane Door Chest

a travelling wave in shallow water whose amplitude is constricted.

Encased in a digitally carved, traditional woven cane design, the Cnoidal door chest boasts mesmerizing textural layers. White washed oak with stunning grain detail is paired flawlessly with a honed travertine top for a sophisticated piece with notes of contemporary design and tropical aesthetic. A cast stainless steel base with gracefully tapered legs is finished in Satin White Brass.

nimbostratus /,nim-bō-'strā-təs/

Sideboard

a multi-level, amorphous, nearly uniform cloud that usually produces light continuous rain or snow but no lightning or thunder.

Handsome and refined, the Nimbostratus sideboard sports a unique clipped corner design with thirteen hand-crafted drawers. Behind classically sculpted doors finished in Nordic Wheat, three interior drawers feature removable felt-lined silverware trays. Adjustable interior shelves offer additional versatility and storage while understated flourishes along the base add antique charm and French elegance.
