Copeland Furniture Will Debut The Lisse Collection This Spring

Bradford, VT (Feb 24, 2022) – The family-owned and sustainable enterprise, Copeland Furniture, will debut the Lisse Dining Collection during Spring High Point Market which runs from April 2-6, 2022. Every design in the new collection features the company's signature style of minimalism and integrated functionality which results in a clean visual presentation. The new additions will include an extension table, a buffet, and a beautifully crafted chair. The new designs can be seen in Copeland Furniture's showroom located at Showplace-5100, Floor 5.

Since 1970, Copeland Furniture has endeavored to produce furniture for discerning consumers who appreciate exceptional design and quality. With sustainability as a guiding force, Copeland has created signature collections, each furniture piece designed for the next generation to enjoy its enduring beauty. The Lisse Collection will showcase Copeland's attention to detail in the curves and lines of each piece which create a timeless style.

Lisse Dining Room

The Lisse Dining Room exhibits graceful curvature and smooth flush joints throughout. With its molded and sculptural lines, Lisse is a study in subtle complexity. The result is an architectural beauty that is both simple and modern, created with the same uncompromising attention to quality for which Copeland is known. Lisse Dining Tables will be available in two configurations: extension table and glass top. The glass top table will be offered in two sizes.

Lisse Buffet

The Lisse Buffet showcases Copeland's signature style of minimalism. This piece offers generous storage space to keep your dining area looking neat and organized. Crafted from premium solid hardwood, the buffet features clean lines and pairs with the rest of the Lisse Dining Collection to create an artistic and cohesive look. All Lisse items are available in solid American black walnut and are manufactured in Copeland's Vermont factory.

About Copeland:

Copeland Furniture started in the 1970s as a family-owned and operated enterprise. Its mission is to create beautiful wood products from natural hardwoods while simultaneously protecting the beauty of the nature surrounding them. During their many periods of growth, they have evolved from a one-man operation in an old garage in East Corinth, Vermont, to a state-of-the-art manufacturing facility located on the banks of the Connecticut River in Bradford, Vermont. More than four decades later, Copeland Furniture has stayed true to its creed and places high value on quality furniture that lasts multiple generations. It believes that understated, well-designed structures inform our creative sensibilities each day, and continuous improvement is what allows their company to thrive and excel.
