FOR IMMEDIATE RELEASE

SUNPAN Releases Brand New Made in Italy Collection

Toronto, Canada, [May 3, 2022] - SUNPAN is pleased to announce the introduction of the Made in Italy collection, the newest addition to our line of furnishings.

“This is an exciting and long-awaited launch for our company,” said SUNPAN President and CEO Sundeep Bagga. “Our team has always aspired to release an Italian-made collection. Through careful planning and sourcing, we have designed a curated collection that we are truly proud to share with the industry.”

SUNPAN’s Made in Italy collection features a selection of premium furnishings that are timeless and transitional in design. The collection adds 26 new SKUs to SUNPAN’s line, with offerings across seating, occasional tables, and ottomans.

Each piece is exquisitely upholstered in high-quality Italian leathers with the finest craftsmanship. Available in a range of rich colours, the natural characteristics of leather are beautifully embraced, with each piece being unique from one another. This luxe collection is also made with FSC-certified wood that is harvested using sustainable and ethical practices.

These furnishings are suitable for both commercial and residential environments, with a 10-year warranty on the structures, and a 2-year warranty on the covers.
