New Mattone Collection: A Relaxation Destination

JANUS et Cie introduces the Mattone collection, a 10-piece group of fully upholstered, modular lounge pieces. Mattone features deep, inviting cushions and generous proportions with endless configuration possibilities.

Designed to create a destination for gathering in exceptional comfort, Mattone is crafted with the attention to detail found in refined interiors, engineered to beautifully resist exterior elements and dry quickly. Mattone offers exceptional versatility and creates the opportunity for playful interaction between its pieces and environment. Covers are available in two sophisticated, neutral hues—Senda Niebla, a warm, inviting, soft grey, and Senda Avena, a monochromatic, flaxen beige—to complement and coordinate with a wide variety of palettes.

Mattone's clean, minimalist lines enable seamless transitions from modern and contemporary aesthetics to impactful contrast when juxtaposed with more classic and traditional design, and pair beautifully with JANUS et Cie aluminum and JANUSstone side and cocktail tables.

This inspired long-term view is realized through the lens of a unique corporate culture that encourages curiosity, creativity and collaboration in the pursuit of excellence.

JANUS et Cie offers a diverse catalog of over 6,000 pieces—each design remarkably distinguished in concept and form—and in addition to furniture, includes a growing commitment to decorative accessories and performance textiles.
