ELLIE'S VIEW

Can you see the oasis through the leaves? **Ellie's View** plays with the ubiquitous fern print through color and layering for a modern take on the classic pattern. With 12 colors handprinted by artisans on a selection of Manila Hemp, Enchanted Woods and Paperweave grounds, the collection takes on different design lives and moods from ultra-modern to tropical chic. **Ellie's View** is the perfect way to bring the R&R to your home!
