Century Furniture Debuts New Showroom at 200 Steele

High Point, NC (April 2018) – This April at the High Point International Furniture Market Century Furniture will debut a new showroom space located at 200 Steele, Suite 213. This represents the first move for the company's flagship showroom in over thirty years.

Located in a brand new three story extension to the 200 Steele building, Century is accompanying its sister companies, Hancock & Moore and Highland House, that already reside in the existing 200 Steele building. The 40,000 sqft showroom features an open floor plan and will be a key resource for design professionals and retail stores. An open kitchen and source room concept will provide ample space for designers to work on projects and utilize all the tools Century has to offer.

"This is an exciting time for Century," said Alex Shuford, III, CEO and President of Century Furniture. "We have designed a showroom space that we feel will allow us to evolve as a company, showcasing to our retail and design partners the best of Century's lifestyles and furnishings."

Century will open its doors on Thursday, April 12th and be open through Wednesday, April 18th from 8am-6pm, with hospitality throughout. Century will be holding a ribbon cutting ceremony on Saturday, April 14th at 1pm, to officially

open their new showroom. In addition, Saturday evening they will be hosting a Grand Opening celebration from 6pm-8pm.
