

Carroll by Design — Nashville —

..... Newly Patented Light

Our newly patented light design features a unique easily changeable shade that can be stored flat and shipped small.

32"D x 22"H :

- Includes one complete pendant fixture
- Pick one of our pre-selected shades or provide your own material. Designers have the ability to determine the height of the fixture to fit your client's needs.
- Also available as a 32" Three-Tier Laura Lane.

24"D x 18"H :

- Includes one complete pendant fixture and an extra shade.
- Perfect showroom display to give your customers a hands-on experience with the changeable shade prior to purchase.
- Also available as a 24" Two-Tier Laura Lane.

16"D x 12"H :

- Includes just a shade, which can replace a lamp shade on any common American harp lamp, and an extra changeable shade.
