## COMPANY INFORMATION

High Point Market Style-spotted and Trend-setting Robert James Collection offers California-cool, handmade luxury furniture where organic textures meet clean, contemporary lines with many designs pairing hand-forged iron and exquisite wood species.

Robert James Collection loves custom as well, offering infinite possibilities to Interior Designers. With numerous hand-applied wood and iron finishes to choose from, Designers are encouraged to customize their pieces with simple changes in the original design, or even to create their own custom piece!

Company president and creative director, Erik Vogt, has overseen the development of the collection that now numbers more than 240 pieces including dining, cocktail, occasional and consoles tables, dining chairs, consoles, buffets, beds, chests, mirrors, armoires, fireplaces, bookcases and planters.

Robert James Collection is thrilled to introduce new designs to the global market at High Point April 5-10, InterHall, space IH104.
