OR, IF YOU'D RATHER DIY

- Check our airline discounts and book your flights; fares only go up as your travel date approaches
- If you choose to fly into Raleigh-Durham (RDU) or Charlotte (CLT), schedule your free airport shuttle. If you fly into Greensboro (PTI), free shuttles run every hour, no reservation necessary.
- Book your hotel, or private home as soon as you can – the best options fill up early
- Find your Exhibitors, you can search by name and use filters to see only the categories, styles, price points, options, buildings, neighborhoods, areas of interest, and even countries of origin that interest you
- Save your selected showrooms to MyMarket, by clicking the star next to the exhibitor's name to get quick access to your selections anytime, anywhere (not to mention sort them by building and bus stop)
- Check out our Events – you'll find hundreds of seminars, roundtable discussions, celebrity meet and greets, networking events, professional association meetings, parties, book signings and casual gatherings to choose from (and you can save them to MyMarket, too)
- Make appointments – our exhibitors can serve you best, if they know when you'll be stopping by
- Sort your MyMarket plan by shuttle stop (so you can spend more time in showrooms, less on the bus)
- Pack your bags (don't forget comfortable shoes). We can't wait to see you!
