

# We've Got You Covered, Floor to Ceiling

Amity Home has come a long way since its humble beginnings over 20 years ago with just a handful of quilts—no shams included. “Now, we’ve got you covered floor to ceiling,” says Design Director, Susan Scranton. Known for its luxurious bedding, Amity Home has expanded its offerings to encompass every aspect of the home. From the plush layers on the bed to the first touch underfoot each morning, Amity Home has become synonymous with elevated comfort and style.

The Amity Home design team works tirelessly to ensure new intros are both timeless and trend-setting, with hundreds of bedding collections that mix and match to suit a wide range of styles—from quiet luxury to maximalist exuberance. Each ensemble is carefully curated to offer versatility and elegance, making it easy for customers to create their perfect space. Not only are these bedding pieces visually stunning, but they are also practical, with most of the line being machine washable for effortless care and maintenance.

The brand’s handcrafted area rugs, available in sizes from runners to 9' x 12', are designed to seamlessly layer with the textures and patterns of their signature bedding collections. Each rug is a statement of artistry, providing a warm, welcoming foundation that complements the home’s aesthetic.

Beyond the floor, Amity Home’s window treatments add a soft, finishing touch to any room. With over 60 in-stock styles and customizable special-order options, including blackout layers for those seeking ultimate privacy, the brand offers solutions that blend beauty and functionality. Whether you’re dreaming of a serene retreat or a space with bold character, Amity Home ensures your design vision is covered from floor to ceiling.
