

# Amity Home Introduces Linen Refreshers

Amity Home, renowned for its luxury textiles, is elevating the home experience with the introduction of its Linen Re-freshers—a collection designed to tantalize the olfactory senses while extending the freshness of your home textiles. This innovative spray is crafted with a stainless formula, allowing users to spritz as often as desired to reach the perfect intensity without leaving any marks. Whether you're freshening up your bedding, curtains, rugs, or towels, this mist provides a quick refresh between laundering sessions, ensuring your home feels inviting and smells divine. More than just a refresher, this mist also enhances the fabric's softness when applied before ironing, making it both functional and indulgent.

Available in a range of fragrances—from "Clean & Green" to "Floral and Fresh" to "Woody and Rich"—there's a scent for every mood and room in the house. With Amity Home's Linen Re-freshers, you can now bring a new level of luxury and care to your textiles, keeping them fresh and fragrant all year round.
