MORELLINO by Toan Nguyen

Milan-based designer Toan Nguyen designed Morellino, Danao Living's compelling new outdoor collection. Influenced by Mid-century design, the combination of natural rugged fiber and soft teak lines creates a captivating and sensual collection.

The collection includes a lounge chair, 2 and 3 seaters sofa, dining chair and side chair, pool chaise, side table, coffee table, and dining table, all tables in natural stone and teak top.

MERCER by Danao Studio

The Mercer sectional sofa system is a study in contrasts. The spare, clean structure is complemented by deeply comfortable and fluffy cushions. The base platform adds a sense of visual lightness and enhances the overall design which is somehow both minimalist and cozy. Mercer is a perfect centerpiece for contemporary living spaces, designed by DANAo Studio.
