New Osprey Collection: A Deep Dive into Texture

JANUS et Cie introduces Osprey, a dining and lounge collection that offers clean lines and rich, inviting, textural depth.

Consisting of six pieces, Osprey is comprised of an armchair, lounge chair, two- and three-seat sofas, a chaise lounge, and a daybed. Contemporary in style with a nod to midcentury modernism, the Osprey silhouette features angled, tapered legs and an ergonomically formed, nest-like, barrel back. Composed of aluminum frames finished with durable JANUScoat, Osprey's curved backs are handwoven in a sophisticated, angular, pattern of polypropylene ropes, each rope itself woven and webbed from dozens of smaller gauge ropes, for multi-layered strength and support, tactile elegance, and striking visual interest.

The Osprey collection is available in two, versatile colorways—Graphite/Gunmetal, a tone-on-tone charcoal grey, and Talc/White Opal, an optic white frame with a silver grey weave—and paired with loose cushions that may be specified in over 100 JANUS et Cie textiles. Osprey's finishes coordinate with JANUS et Cie's Nexus collection yet its neutral hues and mix of materials complement a wide variety of design aesthetics, palettes, and collections.

Ideal for terraces, verandas, or courtyards, in residential, hospitality, commercial, and contract environments, the new Osprey collection is set to take flight.

Osprey collection includes:

- Armchair
- Lounge Chair
- Sofa 2 Seat
- Sofa 3 Seat
- Chaise Lounge
- Daybed
