Hurtado Expands Designs and Custom Options for Its Latest Collections: Legacy, Link, and Connect *Commitment to Innovation*

[High Point, NC] – This April, the world-class furniture brand Hurtado is delighted to announce the expansion of its latest collections – Legacy, Link, and Connect – during High Point Market. Along with new pieces from exquisite collections, the brand will feature porcelain stoneware materials that grant clients greater autonomy during the customization process. These developments attribute from Hurtado’s commitment to innovative designs with unparalleled craftsmanship.

Legacy, Link, and Connect, previously introduced during October 2024 Market, are contemporary collections belonging to Hurtado’s Evolution product line. Hurtado will display pieces in various finishes to demonstrate versatility through custom selections, while also highlighting over 85 years of handcrafting techniques, mastered since the brands conception in 1940.

HURTADO®

Hurtado's featured pieces this April 2025 High Point Market include:

Legacy Extendable Dining Table – Ref. GY0030

With veneer arranged in diverging directions, the grain patterns reflect light in variations, creating a unique perspective from every viewpoint. The top design is complimented by crafted wooden legs accentuated with metal plates on the front side of the legs. Offered with central extensions or a fixed top, this dining table combines modern luxury with versatility, promising a captivating dining experience for all who gather around it.

Link Chairs - Ref. 549000, 649000

Meticulously crafted from premium solid wood, Hurtado's chairs and armchairs combine timeless design with modern comfort. Consistent with the motif of the Link collection as distinguished style linking tradition with modernity, this piece maintains simplistic and streamlined designs that radiate a passion for elegance.

Legacy Occasional Tables - Ref. AX0059, AX0060, AX0061

Introducing the Legacy Occasional Tables, characterized by prominent metal inlays and organic curves. Each table offers a variety of wood and metal finishes, along with the option for an impressive porcelain inlay. Used as a bold statement piece or a harmonized set of various sizes, the Legacy collection effortlessly fulfills various styles and needs. Elevate any space with natural design and sophisticated charm derived from the occasional tables.

Connect Executive Desk - Ref. CN7003

A culmination of style and functionality, the Connect Executive Office desk provides a sleek profile, complemented by unmatched craftsmanship. Adapted for modern efficiency, it includes spacious compartments with internal locks, a filing drawer, optional power and USB outlets, a leather top, and a soft-close system to guarantee a seamless experience.

Connect Executive - Ref. 649400

Elevate every office space with the Connect Executive Armchair, featuring a streamlined design. Fashioned from premium materials, this chair offers a modern, comfortable workspace with a swivel mechanism, adjustable seat height and a tilt system with lock and tension adjustment for personalized comfort and support.

HURTADO®

As part of the Evolution Line, each piece can be tailored with customer selections of more than 50 wood finishes including satin, matte, and high sheen, along with various metals, fabrics, and stoneware.

###

About Hurtado:

The HURTADO brand, headquartered in Valencia, Spain, is reputed for using traditional hand-crafting techniques in the manufacturing process. HURTADO is now a third-generation company that has evolved into an internationally renowned producer of luxury furniture by preserving the hallmarks and traditions of the HURTADO brand. Each design is classical but modern in conception yet deeply rooted in its artisan tradition. One encounters a range of cultural influences in each Hurtado collection as seen in the Evolution and Traditional collections. From contemporary to traditional design, HURTADO serves hospitality, contract, and residential markets. To meet the personal needs and specifications of customers, HURTADO offers access to unique custom capabilities, including a selection of over 50 wood finishes, offered in three sheens: matte, satin, and high sheen. For the American market, headquarters and distribution center are in High Point, North Carolina. For the rest of the international markets, HURTADO ships from the factory in Spain.
