## **MOTIONCRAFT DEBUTS 5 SERIES CUSTOM MOTION PROGRAM MADE FOR TODAY'S GREAT ROOMS**

**HIGH POINT, N.C.** – This April, MotionCraft will showcase the new **5 Series custom upholstery motion furniture program**, including a new **home theater group**. Designs focus on personalized comfort, timeless craftsmanship, and modern convenience by offering motion seating that feels as good as it looks. MotionCraft's new pieces deliver a tailored experience, whether for **everyday relaxation or entertainment spaces**. The pieces provide a sense of nostalgia, blending the elements of traditional style with the convenience of modern motion.

The use of leathers, fabrics, and wood elements adds depth and character making each piece feel uniquely personal. Pieces that incorporate a **swivel functionality** combine ease of movement with the **comfort of power reclining**. Larger-scale recliners are being introduced to offer a natural fit for main living areas.

“MotionCraft has created a new reclining group that features a larger scaled frame to fit in a great room setting that has become the centerpiece for the home,” said Charles Sherrill. “The MotionCraft recliners are designed with superior craftsmanship and will continue to add comfort and functionality to these rooms where families gather and grow.”

### ***Product highlights include:***

**SWL5101P Swivel Recliner** – An oversized leather power recliner featuring an electric reclining mechanism and a swivel base for ultimate versatility, the SWL5101P Swivel Recliner is perfect for any living room or bedroom all while being a piece in the 5 Series custom program. Its wide, comfortable design provides ample space to relax in style.
