

GEO CONTEMPORARY UNVEILS EXCLUSIVE SHOWROOM AT HIGH POINT

Geo Contemporary, a Brazilian company with 25 years of expertise in lighting and decoration, is thrilled to announce the opening of its brand-new showroom in High Point.

Renowned for turning luminaires into true works of art, Geo Contemporary introduces 100 unique lighting models to the U.S. market. Each piece is handcrafted, offering an exclusive and personal touch. Under the creative direction of designer Mauricio D'Avila, these luminaires feature a unique light effect and are available in 22 ceramic finishes and 13 customizable cable colors, allowing for personalized designs.

Our sustainable and organic approach invites clients to become co-authors of their projects, enhancing both decoration and mood with lighting that provides comfort and tranquility.

Join us at High Point to explore our passion for art and design and discover how Geo Contemporary can elevate your space into something extraordinary.
