

**Press Release:** September 5<sup>th</sup> 2019

## Maxwood Showcasing Staircase Bunks & Factory Capabilities this High Point Market

**About Maxwood:** Maxwood specializes in Solid Wood furniture manufacturing in Vietnam and offers an extensive selection of Youth, Master Bedroom and accent furniture. **Need manufacturing in Vietnam? We can Help!**

With a new factory in Vietnam, that started production in the fall of 2018, comes ample capacity and new capabilities, enabling unique styles, colors & finishes to be introduced:

- **New Jackpot All-In-One lofts** – Maximize sleep, study & storage space at lower price points
- **New M3 House Bed & Low Bunk** – Perfect for younger children
- **New Color** - Blue was the 5<sup>th</sup> color to be introduced to Jackpot & M3 youth lines
- **Coming soon** - Jackpot Staircase Bunks - coming November 2019
- **New Finishes & Custom Capabilities** - Available factory direct (Youth Brands & Master Bedrooms)

Maxwood continues to expand into the Master Bedroom space & diversify Youth lines, launching new products, colors & finishes. This fall market Maxwood is showcasing the new Jackpot Staircase Bunks, in addition to the popular Clay & White wash finishes. Staircase Bunks have storage drawers built into every step, providing easy & safe entry. And maintain Maxwood's focus on quality with features such as dove-tail drawer construction & soft close mechanism.

"After expanding our selection of popular Jackpot All-In-One lofts earlier in 2019, expanding our range of bunks was a natural next step. Our All-In-Ones have been hugely popular with customers as they maximize sleep & storage space. So, now we offer bunks with the same benefits. We also introduced color coordinated hardware to all youth brands to create a cleaner, classic look." - Anne Jensen

Diverse retail & commercial clients leverage Maxwood's design & manufacturing capabilities to produce & ship custom products factory direct (minimums apply). Select from a wide variety of wood & laminate finishes, metal accents & custom hardware to create the perfect product!
