## Emerald Home moves High Point showrooms

TACOMA, Wash.—Whole-home supplier Emerald Home Furnishings is moving to a new showroom space in High Point.

Joining sister brands Holland House, Davis Direct, Step One, Folio 21, and Crush, Emerald will now be in the Hackney Furniture Group building, 449 South Wrenn Street.

"This new space is directly across the street from our old location," says Dean Banks, General Manager of Emerald Home. "We look forward to bringing the whole family together to show dealers what we can offer as a new, stronger team."

Their new 28,000 square-foot showroom will feature all categories carried by Emerald.

"We'll have several new bedroom, dining, upholstery, and occasional groups in High Point," says Banks. "And our complete line of mattresses. That new program is a must-see."

The showroom will be open for both Premarket and Spring Market, with a Grand Opening celebration on Saturday, April 25th from 5pm-7pm. Advance showroom tour appointments can be [made online](#).
