

FOR IMMEDIATE RELEASE

### **Greenington Taps Troy Lerew as Vice President of Sales**

**KENT, WA - (July 2020):** Earth-friendly bamboo furniture manufacturer Greenington has recently named industry veteran Troy Lerew as Vice President of Sales. He comes to Greenington from Benchmaster Furniture, where he held the post of President of Sales & Marketing and previously served as CMO for UNITERS. Before joining UNITERS, Troy served in other senior leadership posts including, Montage Furniture Services, Treasures Furniture, and Breuners Home Furnishings Corp.

“Troy brings with him a wealth of knowledge, experience and vision to our team,” said Yang Lin, President/Owner of Greenington. “We are truly excited about what the future holds for Greenington with Troy’s contribution to our leadership.”

**About Greenington:** Celebrating 16 years of innovation, Greenington is a sustainable manufacturing company creating beautiful and high-quality furniture using one of the earth’s most sustainable resources, bamboo. Focused on quality, Greenington cuts no corners, while staying true to their sustainable mission, following strict international standards and guidelines, and maintaining a zero-waste manufacturing process.
