## Made in USA: Spectra Home Offers Spectra USA Domestic Upholstery Collection

**High Point, NC, October 13, 2020** – Spectra Home Furniture knows that made in the USA is a big deal and many of their customers want not only domestically made, fashionable, affordable upholstered seating products but also customized and delivered quickly without sacrificing quality. The new Spectra USA upholstery collection is designed to serve that need with domestically made, customizable seating options with the style and comfort for which Spectra Home is known. Customers can select from about 40 sofa, chair and ottoman frames, in an array of designer and performance fabrics, all hand-built in North Carolina. Order-to-shipment is approximately 4-6 weeks.

According to Jim Telleys, Spectra Home’s senior vice president, “Our new Spectra USA collection is designed for retailers, interior designers and home stagers who need high-quality upholstery quickly and would like to select the fabric to give it their own customized look. Their selections will be built by our skillful craftsmen here in North Carolina.”

The Spectra Home Spectra USA upholstery collection includes smartly styled casual and transitional sofas, chairs and ottomans. The upholstery is expertly crafted with blend-down seating to provide the ultimate in comfort. Most sofa offerings will include two throw pillows than can be covered in the same or contrasting sofa fabrics.
