### LE MANS SOFA & CHAIR

This classical beauty is upholstered with the finest chenille fabric and lined with high grade memory foam for optimum comfort and support. Clean lines adorn the structure of the Le Mans family, allowing for versatile configurations within any space no matter the decoration.

### VARESSE SOFA & CHAIR

Made to be reorganized and combined as needed, the Varasse family proves that variability is strength. It's strong wooden base with a modern finish, feather pillows and chenille upholstery pay an homage to the art of comfort and design.

### BANS SOFA

Inspired by the elegance and simplicity of Danish design, the Bans Sofa is the perfect addition to any home. Made from beech wood, its seat and back are double caned woven contrasting with the soft cushions. With a lateral table built into the seating structure, it makes decorating the space stylish and functional.

### ASTRUP CHAIR

Danish 50's inspired chair, with "x" shaped legs, beech wood frame and saddle leather seat and back.

### DIZIER CHAIR

The Dizier armchair is a sight to see. The seat and back are but one piece, molded and covered in saddle leather to achieve an elegant and timeless finish.

### BRUZ CHAIR

The Bruz armchair marries comfort and design with its beech wood frame, suspended seat, feather pillows for back and arms support and cozy down upholstery.

#### RHONE BAR STOOL

The Rhone bar stool takes elegance to new heights with its sleek beech wood frame, foam and down upholstered seat and double caned woven back. This mid 20th Century beauty is a welcome addition to any space.

#### ÉTIENNE COCKTAIL TABLE

The Etienne Cocktail Table has an iron base with rustic detailing. It's distinct look is achieved by placing the lateral and frontal crossbars at different heights and is covered by a sleek glass table top.

#### ROCHELLE LAMP TABLE

The Rochelle Lamp Table has a geometric base which leads to an symmetrical beech wood table top. The design is simple but stands out due to the detailing on molding on the table top and sleekness of the base.

#### HASLEV LAMP TABLE

Its primavera wood table top is joined with an iron shelf, huacanastle veneer and pristine iron detailing throughout the piece.

#### ARLÖV AUXILIARY TABLE

The unique Arlov Auxiliary Table, made from primavera wood, boasts a triangular geometric design. Inspired by 50's Danish design, this authentic piece is the perfect auxiliary table.

#### BELFORT AUXILIARY TABLE

The Belfort nido tables, inspired by the French 50's, are made to nest within each other in an elegant and calculated manner. Made from both primavera and beech wood, these tables are united by unique antiqued brass detailing combining sophistication and practicality.

#### VAGNEY CONSOLE & SIDEBOARD

The Vagney Console stands on three unique wooden legs and supports an asymmetrical table top. The finish on the top is smoothed to look reflective but not completely flat, giving an organic and polished look.

#### KAPELLE CHEST

This design is inspired in XVIII century mirrors with molded brass details, it is adapted to fit modern spaces. Its structure is made from beech wood and the primavera wood veneers accentuate the drawers of the Kapelle Commode, creating a visual kaleidoscopic finish.

#### ASSON CHEST

The doors of the Asson Chest are made with many little pieces placed to form a unique textured pattern. Lined with brass detailing atop the primavera wood, this awe inspiring piece stands on six legs with that have matching brass bases.

#### BRESSE ARMOIRE

Intricate moldings adorn the double doors of the Bresse Armoire and are interrupted by clean horizontal lines. The central piece can be made in both brass and iron depending on the finish of your choosing. This piece is supported by Danish inspired, hand turned legs.

#### MERANO ARMOIRE

This monumental beauty has an impactful first impression with rectangular primavera wood moldings on its double doors. Inside the Merano armoire you will find fine crafted drawers and shelves with brass detailing, all the makings for the perfect cabinet.

#### RODA DINING TABLE

The mix of primavera wood and metal give the Roda dining table a structured appearance. Its table top is supported by brass anchors that feed into a rectangular wooden base.

#### LIMOGES WRITING TABLE

Its blackened metal and leather table top create a smooth surface complete with a central drawer; and its hand spun primavera wood legs stand firm at the base of this unique dark beauty.
