Wexel Art

IH303

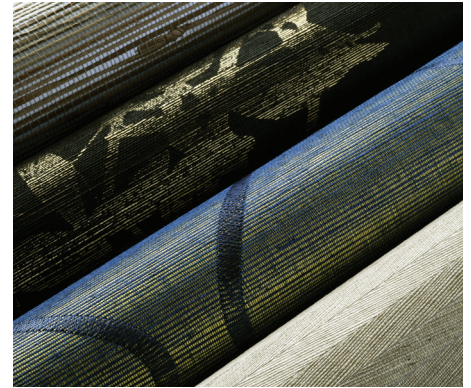

More than ten years ago, Wexel Art declared the premise that you should be able to change your art displays as often as you change your mind. Its floating wall frames, which feature a single panel of acrylic plus magnets to hold the art in place, put the company on the map. Now it has expanded to include double panel frames (sandwiching pictures between two pieces of acrylic), tabletop frames, shadowboxes and partnerships with local independent artists to produce framed art collections.
