Thank you for spending a little bit of your time with our newest Temple and Parker Southern pieces.

Since 1962, Temple has been owned and operated by the Parker family. Our main goal is to provide quality furniture and great customer service. We offer a wide variety of traditional and transitional cutting edge designs at a value for our customers.

Parker Southern was founded by one of the Parker third generation children in 1991. In 2003, Parker Southern became a part of the Temple family as their sister company. Every detail, from comfort and durability to design and aesthetics are considered when producing furniture in both facilities.

This year as we celebrate Parker Southern's THIRTY years, we pay tribute to one of Parker Southern's favorite traditions, Pecan Tarts. Mamaw Starnes made countless Pecan Tarts over the years and they became a fan favorite. So in honor of Mamaw Starnes and to celebrate Parker Southern we are again serving Pecan Tarts as well as finally releasing the recipe.

Join us on Sunday, April 3rd beginning at 5pm in our Highpoint Showroom for food, celebration and of course Pecan Tarts!

Thank you!
