

ALFONSO MARINA®

ALFONSO MARINA FALL 2022 COLLECTION HIGH POINT MARKET, OCTOBER.

This fall Alfonso Marina introduces 17 new products. You will find stunning pieces with a more contemporary look: simpler lines and geometric shapes.

We also present a new finish that will surprise you: a polished metal look but made all out of wood.

VARIS & VARIS II CHAIR

This beautiful curved back chair is perfectly handcrafted and molded. It comes in two versions that fit in different decoration styles. One is more simple and modern with an upholstered seat, and the other is more casual with palm back and a loose seat cushion.

DOSTRUP CHAIR

This modern Mid-Century inspired upholstered chair has a curved shape. The structure is constructed from wood, has turned legs and a soft loose cushion.

BRONS & BRONS II CHAIR

This chair has a simple and casual design. The hanging seat is made from a frayed fabric and can come in other fabrics without fraying. It has a structured wooden frame, molded arms and turned legs.

AZZANO BENCH

This bench showcases delicate curves and fine geometric decorations on its seat and base. Its cover rests on two metal crossbars that join the two concave legs. The final finish can be in marseille, black or metal.

AZZANO SMALL COCKTAIL TABLE

This table showcases delicate curves and fine geometric decorations on its table top and base. Its cover rests on two metal crossbars that join the two concave legs. The final finish can be in marseille, black or metal.

LAGHI COCKTAIL TABLE

It is a simple and elegant cocktail table with carefully crafted details. The white marble table top contrasts with the brass base. The legs are formed by two brass plates with curved edges and has a dark wood inlay between them.

CHIANNI COCKTAIL TABLE

This modern cocktail table has a circular top and rectangular legs. It has a brass inlay in the front side of each leg and it can be made in two finishes: black with a texturized matte ceramic finish and brass inlay, and marseille gray with black metal inlay.

PALERMO LAMP TABLE

This lamp table is made of wood and has a round table top. Its turned legs have decorative cymbal details and are finished with metal tips. The panel is connected to the legs by a crossed metal support.

BIELLA LAMP TABLE

This modern lamp table is a visual delight. It has a conic base and the table top extends to the floor with a smooth downward curve. As a subtle and elegant detail, the edge of the cover has a metal inlay.

BERG CONSOLE

Made from molded wood, this modern and organic console table has one side curved out and the other side flat, making it distinctively asymmetrical and simple.

RODA WRITING TABLE

The mix of primavera wood and metal give the Roda writing table a structured appearance. Its table top is supported by brass anchors that feed into a rectangular wooden base and it has a drawer in the center.

VARDE CHEST

This mid-century modern chest is veneered with koa. With nine spacious drawers, three of them have a decorative application with a geometric design. The legs stand out from the chest to add to its distinctive design.

BARZIO CENTER TABLE

This standout piece is modern yet simple. It has a conical base which joins seamlessly with the sleek cover. The finish looks like polished metal but is completely made of wood. This sophisticated and versatile piece can be placed in many different spaces.

MONZA AUXILIARY TABLE

This side table has simple but detailed design. It has a brass inlay on the stand, an oval table top, a rectangular base, and three brass staples on the spine. It is perfect for living rooms or as a side table anywhere. It can also be made in different finishes.

DREZZO ARMOIRE

This stunning armoire shows an asymmetrical textured design on its doors that resembles movement. It has a simple metal base and contrasting interiors adapted to be used as a bar. The finish is made to look like polished metal but is made entirely of wood.

ABOUT ALFONSO MARINA

With 50 years in the business, Alfonso Marina has influenced design trends by preserving the essence of creating timeless pieces of the highest quality that are not limited to a particular period or style, being able to satisfy diverse tastes that work in current metropolitan decorations and casual environments, reaching the most demanding audiences around the world.

Our product design and construction use the best traditional approaches. We specify only the finest materials, all the wood we use is kiln dried and our veneers are carefully chosen to achieve products that will pass gracefully to the next generation. Understanding our factory implies immersing into a world of techniques, materials and history, which in the end take you to a high level of uniqueness.
