

*CODARUS is excited to announce a new location for Fall High Point Market. The BROAD HALL building on 300 West Broad Ave will be the new home for CODARUS. For the past 12 years CODARUS has shown on the 2nd floor of the IHFC building.*

*CODARUS bought the building from Mark Sage, owner of BoBo Intriguing Objects this year. The 97 year Broad Ave building was City Hall back in the day. Therefore, Cody Ables thought it would be fitting to name it BROAD HALL to keep in tradition its history in High Point.*

*Annie Selke Pine Cone Hill - Dash & Albert Rugs, Azzurro Living, Bobo Intriguing Objects, Case & Canvas, CODARUS Home, Grand Image Home, Jill Pumpelly, Maison Maison, Moss Studio, and TL @ Home will show in BROAD HALL for Oct Market.*

*Ables expressed, "High Point has become such a year round destination for design so we wanted to be a part of it "on the street". We feel presenting the CODARUS represented brands in our own environment will be successful in making our company a design destination 365 days of the year in this region. We stuck our flag in High Point and are determined this move will be a great success in the years to come."*

*CODARUS invites you to celebrate & will host a party at their new location, BROAD HALL in High Point during Fall High Point Market, Saturday October, 22nd at 6:00pm 300. West Broad Avenue.*
