ATELIER PRESENTS NEW ART DEFINED BY ABUNDANCE

LOS ANGELES – APRIL 3, 2023 – ZOE BIOS CREATIVE will be open for Spring 2023 High Point Market, April 22-26, 2023.

The art house and HPMKT mainstay returns to InterHall to introduce the Franca Collection, a series of paintings featuring rich ink pigments and thick layers of Gesso.

“This collection relies significantly on texture and color,” says artist and Co-Founder Caitlin Dinkins. “These elements provide ample space for the eye to both rest and wander, providing peace.”

ZOE BIOS CREATIVE is located at InterHall, Suite 502, Floor 1. For more information, please visit www.zoebioscreative.com.
