CHILD'S PLAY

Cloud Vanity Console by Circu

A magical dressing table constructed of wood, fiberglass, acrylic and mirror. circu.com

Strata Desk Yabu Pushelberg

us.avenue-road.com

"Seemingly floating on a cloud, the Strata desk is every minimalist's dream. The sleek movement of the curved glass legs play wonderfully with the solid drawer. Interesting but not overpowering, this vanity could thrive in a quiet corner of a walk-in closet or master bathroom." **ER**

Lille Vanity Table Jimeco

jimeco.com

"Sometimes the most straightforward designs are the best! The Lille Vanity's petite scale and clean lines make it an easy fit in a multitude of spaces. Its central flip-up compartment is a great place to hide any unsightly clutter that might take away from the beautiful parchment vanity surface which should be on display at all times!" **ER**

ALYSSA URBAN

Peter Olsen

Name a few designers of antique vanities that catch your attention.

"We like the styles of Maison Jansen and Jules Leleu since they have a timelessness to them. The clean, straightforward forms of Jansen's pieces can work in both traditional and modern settings. Similarly, Leleu's pieces have a simple elegance that elevates their surroundings, regardless of period."

Helena Desk Bungalow 5

bungalow5.com

"The burl oak combined with brass accents gives this vanity a slightly glamorous, Hollywood Regency feel. The two drawers make it very functional as well." **AU**

Argento Vanity Desk GLOBAL VIEWS

globalviews.com

"The slim frame, tapered legs and tasseled knobs give this table a very tailored and elegant feel." **AU**
