jump right in

Palmer Earley
of *Helicote Studios*

product Eclipse

standout Mimicking the movement of planets around the sun, this lamp's glowing shades in brass, copper, or iron orbit a marble base. resourceshelicote.com

Antonia Caicedo
of *Jimco*

product Fresh

standout Adding a touch of glamour to this side table, bronze legs pass through slots in the six-sided partitions covered top. jimco.com

Thomas Pheasant
for *Baker*

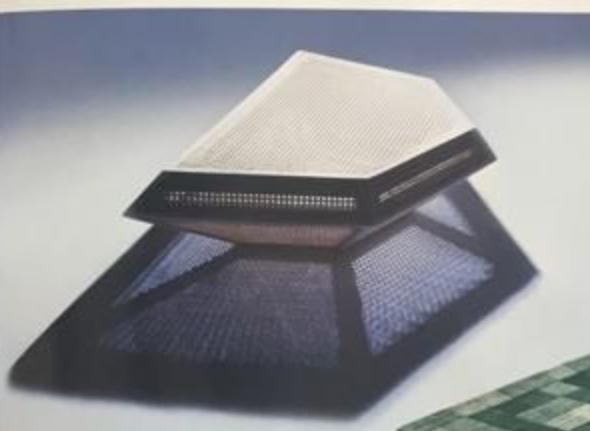

product Shade

standout In a nod to Richard Serra, glass panels float asymmetrically above the cocktail table's frame in oil-rubbed brass. bakerfurniture.com

Tina Nicole
of *Nathan Anthony Furniture*

product Clay/S Fringe

standout Black leather strips, hand-sewn onto the white leather-upholstered seat of this swivel chair, cascade to brush the stand's steel base. nathanyanthonfurniture.com

MARKETSCAPE
high point

Steve Leung
for *Theodore Alexander*

product Cover

standout Punctuating the sumptuous silhouette of Steve Leung Designer's sofa, the frame extends to accommodate a leather-covered tray. theodorealexander.com

Jamie Beckwith
for *Currey & Company*

product Honeycomb

standout The Jamie Beckwith Collection's expertise in wood manifests itself in faceted walnut tiles bedecking a wrought-iron chandelier. curreyco.com

Christian Gori, Marco Poggi, and Claudio Dondoli
for *Calligaris*

product Pin

standout Pixelating traditional Oriental patterns, the Archimedeo Design has created a polyester-acrylic blend rug with the hand of cowhide. calligaris.com

Ito Kish
of *Ito Kish Home*

product Santos

standout A cocktail table's rattan lattice evokes an ancient weaving technique from the Philippines; this designer's native country. eggett.com
