CANADEL ANNOUNCES  
A NEW LIVING ROOM FURNITURE  
COLLECTION: ACCENT

CANADEL ANNOUNCES A NEW LIVING ROOM FURNITURE COLLECTION:

# ACCENT

Canadel is proud to expand its field of expertise with the design of beautiful living room furniture featuring a selection of 90 pieces. Renowned for its customizable, high-quality dining room furniture and versatile pieces, offering options for the living room was the next natural step for the North American brand.

“For our 40th anniversary, expanding our product offering to living room furniture was only natural for us. Thanks to their valuable knowledge and passion, our Canadel team members have developed our latest living room collection including 90 brand-new models. As part of our DNA, these furniture pieces offer countless customization options,” says André Giguère, Executive Director of Canadel.

Both innovative and timeless, ACCENT by Canadel is hand-assembled and hand-finished with the highest attention to detail. Whether consumers prefer transitional, contemporary or traditional styles, they are sure to find furniture that fit their tastes and needs.

The new collection will be available to authorized dealers across North America.

## ABOUT US

Canadel is a family-owned company located in North America. Renowned for our high quality and customizable dining room furniture, we are thrilled to present Accent, our new collection of living room furniture. In its 40 years of operation, the company has developed an expertise in creating remarkable pieces that stand the test of time. We believe in manufacturing products that are hand-assembled and hand-finished with the highest quality standards in the industry, and according to environmentally friendly practices. Our vision of offering personalized products tailored to meet the specific needs of each customer will always be our priority.

## WHY CANADEL?

- Family-owned business with 40 years of history
- High-quality products handcrafted in North America
- Custom pieces made just for you
- Eco friendly processes
- Fastest delivery in the industry
