Matisse Collection Expands with Two New Premium Teak Pieces

JANUS et Cie has introduced two new designs to Matisse Teak, its celebrated lounge and modular seating collection: the Matisse Teak Armchair and Chaise Lounge. The new armchair and chaise lounge maintain the bold, geometric frames and clean, contemporary lines of the Matisse collection in stunning premium teak.

The Matisse Teak collection fulfills a long-in-demand functionality with the addition of the armchair, its first piece designed and scaled for dining. The armchair beautifully coordinates with dining tables in JANUS et Cie's Arbor and Relais collections.

The Matisse Teak Chaise Lounge features cleverly integrated wheels for a seamless appearance and easy mobility, and adjusts to four positions, including flat, for customized comfort.

Each of the new Matisse Teak pieces offers the warm, natural finish of finely grained teak complemented by breezy, polyvinyl mesh panels in a rich, Mocha hue.

The Matisse Teak collection has been heralded for its refined scale, sophisticated simplicity, and extraordinary versatility in residential, contract, and hospitality settings. As ideal at poolside as it is on corporate terraces and hotel rooftops, Matisse Teak offers exceptional durability with remarkable water and decay resistance and will retain its beauty for many years to come.

Matisse Teak collection includes:

- Armchair
- Club Chair
- Sofa 2 Seat
- Module Center

- Module Corner
