HIGH POINT, N.C. – This fall, Whittemore Sherrill is introducing new products that capitalize on two distinctive trends; vintage aesthetics reimagined, and interesting hides combined with leather.

Whittemore Sherrill is reintroducing vintage aesthetics in a contemporary light. Channeling the charm of past eras, the brand embraces classic design elements that evoke a sense of nostalgia, giving a chance to revisit the elegance of the past. From gracefully curved silhouettes to intricate detailing, each piece encapsulates the romance of years past while seamlessly integrating with modern living spaces.

Daring to push the boundaries of design, Whittemore Sherrill is also exploring the realm of interesting hides combined with leather on a single piece.
