High Point highlights include:

Madame X Chair (253-00) - A classic tub chair with refined square arms. What defines this silhouette is the exceptionally complicated X shaped back legs that stretch the length of the outside back. Made of solid beech wood.

Swifty Chair (238-00) - Named for legendary Hollywood agent Swifty Lazar, this lounge chair features features a '50s, '60s vibe with an undulating wavy arm that reflects the rhythmic pattern the sickle shaped sled base creates. A wide chair perfect for men or women alike, the boxed loose seat cushion and boxed loose back pillow add inviting comfort.

Elkins Sofa (1134-01) - Frances Elkins was a legendary California-based designer who practiced from the 1910s to the 1950s. Our version of the Elkins sofa features a 7" wide track arm, a tightly tailored upholstered back sprung with Marshall Unit Springs and a deep loose seat cushion all raised on solid beech block feet. Two 20" and two 11" x 19" throw pillows accompany the sofa.

Inspired by glamorous sofas of the 1940s, this channel back sofa features a gently curving footprint with a plush channeled back which terminates in a top back upholstered roll. Two boxed seat cushions are raised over solid beech tapered legs. Two 20" throw pillows and two 11" x 19" kidney pillows accompany this silhouette.

Paramount Sofa (1228-01) -

Influenced by sofas designed by legendary designer Billy Baldwin in the 1950s and 1960s, the Paramount Sofa features two boxed back pillows over a bench seat cushion. The cushion fits into the arm in a unique keyhole design, creating a tailored fitted look. Raised on a solid beech base and tall tapered legs. Two 20" throw pillows and two 11" x 19" throw pillows accompany the sofa.

Duchess Poof Ottoman - Skirted (114-00) - A multi-use poof that is perfect as a cocktail ottoman, bench or as additional seating. Features a plush, hand tufted top with a box pleated skirt.
