SUPER SOFT + YOUNG + PRETTY

EXPRESSIVE FEMININE PIECES WITH A YOUNG ROMANTIC STYLE

(Lenoir NC, April 16, 2016) — This one's for the romantics.

Today Bernhardt introduces a number of looks that feel just right for the young and the beautiful. Many of these pieces debut in the 52-piece Savoy Place collection. Other upholstered seating and occasional furniture pieces also speak a soft and feminine language.

“All around we’re seeing a new emotional expressiveness, and that holds true for young shoppers with big style,” says Heather Eidenmiller, director of brand development. “We’re debuting some of the prettiest and most feminine pieces we’ve introduced in years.”
