As we all know, our world is changing at a fast pace, our industry is not different. Our customers access more information and are more knowledgeable, they are all searching for brands that represent their beliefs, their personality and lifestyle. We believe in embracing this and making those connections through our passion, commitment and attention in every detail you will find in each and every piece we produce.

We have also learned that our customers require a wide variety of alternatives to accommodate their needs in every Project. For this we have developed different programs:

- IN STOCK: lead time 3-4 weeks.
- QUICK SHIP: lead time 6-7 weeks.
- OVER 600 SKU's: lead time 12 weeks.
- CUSTOM MADE: lead time 16 weeks.

Our Next Collection to be launched at High Point Market is an eclectic mix of 25 pieces with harmonious design and proportion, assimilating various elements that satisfy the demand of the customer that seeks to surround themselves with objects that carry the desired character and that thus become the antiques of the future, repeating once again the creative cycle through history. You will find a mix of great craftsmanship work, veneers, inlays, clean lines, brighten colors and a combination of leather or brass with wood resulting in very interesting design pieces.

At High Point we created a new showroom that was conceived as a luxury retail space that expresses Alfonso Marina identity. The main objective was to create spaces that gave the visitor a unique perceptual experience you cannot miss.

We, at Alfonso Marina proudly consider ourselves as artisans of the 21st Century preserving the art of woodworking and we invite you to visit our showroom at 200 Steele and experience the Brand DNA.
