It all started with a chair. Trig Liljestrand was looking for quality furniture that would not break the budget. But all he could find would compromise either style or price. He realized he could not be alone in his search, and decided to create his own furniture company that would fit this need. Thirty-five years later, on October 23, 2020, Eurø Style will be celebrating its **35th Anniversary!**

We would like to thank our customers who have been with us throughout the years. We take pride in every piece of furniture that we have sold throughout the years and are so grateful to all of you for **being a part of this wonderful journey.** Here is to thirty-five wonderful more years!
